RE: WIC Certificate of Acquisition for 4 Microsoft Surface Pro tablets

Attached is a request for approval to acquire four Microsoft Surface Pro tablets from Health and Human Services for Women, Infant and Children (WIC). These tablets will serve to provide supplemental food benefits, nutrition education and counseling to enhance good health care at no cost to low-income pregnant and postpartum women, infants and children identified to be at nutritional risk. If replacement is needed, WIC funds can be used to replace each tablet. They are 100% reimbursed by Health and Human Services.

I respectfully request approval of the attached Certificate of Acquisition for WIC from Health and Human Services.
