Re: Reallocating Funds – LPR Equipment

The Collin County Sheriff's Office is notifying the Commissioners Court of a budget amendment (MUNIS Journal #2505, Agenda Entry, #47828) for the purpose of utilizing \$699.00 of the federal forfeiture funds. This budget amendment will be used to purchase a 4000 Watt Generator; \$599.00, with a 3 year protection plan; \$100.00.

This equipment will enable the LPR trailer to continually gather intelligence by the North Texas Sheriffs' Criminal Interdiction Unit as they interdict narcotics, dangerous drugs, and human smuggling.
