January 6, 2020

To: Commissioners Court

From: Tracy Homfeld, PE, CFM; Assistant Director of Engineering

Subject: Approval of Sign Plans for the following new Collin County Subdivisions: Patriot Place, Summerlin Phase 4 and Bloomridge phase 2.

The Engineering department has reviewed the signage plans for the following new Collin County Subdivisions, which have been prepared by licensed engineers, and have determined that they are appropriate.

Patriot Place, Summerlin phase 4 and Bloomridge phase 2.

Plats for the above reference subdivisions have already been approved. In order to place regulatory signs in new subdivisions, the court must approve the signage plans. Once approved, the developer will request that the Collin County sign shop build and install the requested regulatory and street name signs. The developer does have the option to supply the signs themselves as long as they are built and installed per the Manual of Uniform Traffic Control Devices (MUTCD).

ACTION:

We request approval of the attached regulatory signage plans for the following subdivisions: Patriot Place, Summerlin Phase 4 and Bloomridge Phase 2.
