To Whom It May Concern:

As the exclusive US Distributor of the Bagela Asphalt Recycler, Bagela USA/Pavement Recyclers has authorized Cooper Equipment Company of San Antonio & Austin, Texas to exclusively represent our complete line of Bagela Asphalt Recyclers for the State of Texas.

Also, the Bagela BA10000 asphalt recycler is the only commercially available unit available in the United States that can recycle at a rate of ten tons per hour using an indirect flame, continuous flow method.

Please feel free to contact me with any questions.

Thank you.

Sincerely,
