

To:            Commissioner's Court

From:        Bill Burke/Director of Building Projects

Date:        2-17-20

Subject:    Lavon Fire Lane Easement

I am requesting approval for the Fire lane easement from Independent Bank. These two small easements were granted to the County so that we could get the fire lane installed and keep the parking in front of our building. Attorneys for both parties have reviewed the easement.

Thank you for your consideration.
