GENERAL DISCUSSION

ITEM NO. 5 AI-29845 Public Hearing – Consideration, discussion and any action regarding the re-plat of Lots 3 and 4 of the Honey Creek Farms Addition, Engineering. Tracy Homfeld, Engineering, came forward to speak on this item. Ms. Homfeld previously addressed the re-plat of Honey Creek Farms approximately one year ago. At that time, the plat did not meet subdivision regulations; currently it meets all regulations.

Judge Self opened the Public Hearing. John Herrin, Celina, Texas, who lives across from the property in question, is against the re-plat due to what he feels it will do to the quality of life and the impact it will have on property values. Mr. Herrin stated every land owner and resident is against this request.

Thomas Ed Hays, Celina, Texas, spoke next. Mr. Hays commended Ms. Homfeld for doing a great job, and then passed around an aerial photograph of the property to the Court. Mr. Hays agreed with Mr. Herrin's comments, adding Developer Brent Entrop would be the only one who would benefit from this project.

Art Anderson, Dallas, Texas, represented Mr. Entrop. Mr. Anderson stated Mr. Entrop wants to work with the homeowners and continued with a discussion of this re-plat from a legal standpoint.

Judge Self closed the Public Hearing following a motion by Commissioner Hoagland and a request to take the matter under advisement. Commissioner Jaynes encouraged the developer and the neighbors to come together to see if this can be made into a "win-win situation". (Time: 10:01 a.m.)
