Re: Request Approval of Court Order Adopting LGC Section 1, Chapter 233, Subchapter F (Relating to certain building code standards applicable to the unincorporated areas of certain counties)

We respectfully request that Commissioners' Court consider adoption of Local Government Code, Section 1, Chapter 233, Subchapter F as it relates to extension of building code standards for certain residential structures into the unincorporated areas of Collin County.

The Texas Residential Construction Commission (TRCC) was tasked with the oversight of residential construction inspections on September 1, 2008. The TRCC will be abolished as of September 1, 2009 leaving Collin County citizens without the protection of required inspections on residential construction.

Thank you.
