MEMORANDUM

DATE: December 1, 2009
TO: Chief Deputy Rick Allen
FROM: Major Pam Palmisano *PP*
RE: Donation from Raytheon

I have recently been contacted by Steven Gray, Health and Safety Manager for Raytheon, and asked if we would accept the donation of an ACU-2000. Raytheon has chosen two other agencies in the area to receive this piece of equipment in an effort to assist, and in some cases improve, interoperability between Public Safety Agencies. The value of this equipment is \$24,450. Maintenance and operation of this equipment will be included in our Motorola contract next year.

I recommend we accept this donation.

PP/th

I recommend,
R. Allen
