

COLLIN COUNTY

OFFICE OF THE SHERIFF
4300 Community Avenue
McKinney, TX 75071

MEMORANDUM

DATE: December 4, 2009

TO: Chief Rick Allen

FROM: Major Pam Palmisano *PP*

RE: ACU-2000

The ACU-2000 being donated to us by Raytheon will provide interoperability among multiple radio systems operating on different frequencies. It will also provide a SIP-based gateway to digitally converge an existing radio system with SIP telephones, Networks, and devices.

This piece of equipment will assist us in situations involving agencies that are not already programmed onto our radio system.

*OK Rick
