Re: UASI 07 Grant Adjustment Notice

This is a request for approval to Commissioners' Court of a grant adjustment notice to extend the period of the 2007 UASI Grant Program. The grant was originally accepted on court order #AI27477. The performance period of the grant has changed from 10/12/07 through 2/28/2010 to extend the end date to 3/31/2010. The GAN does not affect the award amount of the grant.
