RE: Amendment of contract with American Medical Response EMS

Honorable Court,

Collin County currently contracts with American Medical Response EMS (AMR) to provide Emergency Medical Service to areas of Collin County along with several participating cities.

The EMS Advisory Board recently met with representatives of AMR for the purpose of amending the current contract (09006-03) and approved the recommended revision at a Board meeting held on January 14th.

It is the recommendation and desire of the EMS Advisory Board for the Court to approve the contract amendments as presented.
