MEMORANDUM

DATE: January 19, 2010

TO: Commissioner's Court

FROM: Kelley Stone 
Director of Homeland Security

REF: Flu Kits for Shelters
Agenda #

This is a request for approval from Commissioners Court to accept receipt of 25 Flu Kits for Shelters from the Department of State Health Services. These Kits will be deployed to shelters in Collin County to reduce the exposure and spread of flu in a shelter environment. Collin County has not had any large scale disease outbreaks in shelters during Hurricanes Katrina, Rita, Ike or Gustav, but additional infection control measures would be an important asset to have on hand in case they are necessary.

The Flu Kits for Shelters includes masks, gloves, gowns, and other personal protective equipment. I've attached the list of the supplies that would be included in the Kits.

These Kits are valued at \$802.32 each, for a total of \$20,058. There is no cost to Collin County.
