5.7.8 According to the TDCJ-CJAD Financial Manual, “Vendors who provide offender services in amounts that exceed \$100,000 statewide (one or more CSCDs) must have an annual independent audit of the funds received from CSCDs.” The winning vendor must provide an independent audit on the total funds received from CSCD or each Fiscal Year (September 1 – August 31) if the \$100,000 threshold is reached. 5.8 Collections and Panels:

Collin County CSCD currently contracts with a private company to provide laboratory testing of urine samples collected for drug testing under a variety of situations. The current standard for testing is urine with LC/MS/MS confirmation but GC/MS is also acceptable. However, there are some “Dip-Test field kits” utilized when appropriate. The contracted vendor is responsible for retrieving and transporting all specimens collected for laboratory testing. All specimens must be tested for adulteration, dilution, and/or substitution. Vendor must include a statement advising of all methods of detecting these conditions.

5.8.1 Normal field collections and testing during September 2009 through April 2010:

5.8.2 Additionally, an officer may have an indication of use for another substance, such as steroids or ecstasy, or laboratory test results indicate a need for alternative testing. The lab may also voluntarily conduct additional testing to further refine or clarify indications of the initial results. When either of the first two situations occurs, a “Request for Additional Testing” is submitted to request these tests be conducted (at additional costs to CSCD).

5.9 Collection Location and Hours of Operation:

The contracted laboratory provides collectors on-site at two CSCD locations:

5.9.1 900 E. Park, Plano, TX 1 male tech and 1 female tech,
Monday – Tuesday 9:00 am – 5:30 pm

5.9.2 1800 N. Graves, McKinney, TX 1 male tech and 1 female tech, W - F
Wednesday - Friday 9:00 am to 5:30 pm

5.10 Randomized Call-In and Scheduled UA's

While not all probationers are required to submit to drug testing, the greatest majority are required. Probationers are selected/referred for urine drug testing in a variety of manners. Most are enrolled in an automated randomized drug testing system that is maintained by the contracting vendor lab.

5.10.1 High risk individuals are enrolled in the system as random call in. Random call in requires them to call an IVR (Interactive Voice Response) system

daily (Monday – Friday, excluding county holidays) to retrieve a message as to whether or not they are required to test that day. Persons on random call in are scheduled by the Contractor's computerized randomization program to report and provide a specimen at least one (1) time per month. The IVR system records the date, time, and number from which they called. A file is retrieved each day and provided to CSCD with this information as well as those who failed to call the system for that day. Immediate electronic notification is preferred.

IVR call-in response (level 1) read in the nature of either of the following messages:

- 1) "No test today" (repeated).
- 2) "You must report for testing today"

5.10.2 Some offenders are required to submit a specimen on a regular and consistent basis, i.e., weekly, 2 times per week, etc. These are referred to as "Scheduled UAs."

5.10.3 Other individuals have schedules or other situations that preclude them in the regular randomized programs and are monitored/referred by their officer consistent with the requirements of the court and case management needs.

5.10.4 Additionally, a few (3 to 4 at any given time) offenders have medical situations that preclude urine drug testing and are being tested with alternative methods.

5.11 Electronic submission of results:

At the current time, the results of all testing are faxed directly to the supervising officers duty station and officers are also able to check vendor website for results.

5.12 Alternative Testing:

Historically, urine has been considered the "gold standard" for forensic drug testing and the Department has and anticipates continuing to use it as the primary methodology of choice. However, the Department recognizes that there have been significant technology advances in the field and is willing to review proposals for alternative testing methodologies. Vendors may submit a proposal for alternative testing for primary or special situations (as needed) alternatives.

Occasional situations present themselves whereby urine testing does not provide for drug testing within the parameters of special circumstances. Vendors may negotiate with a third party provider to accomplish the testing, but the vendor must disclose any third party vendor and provide adequate details about the provider. All Third-party providers must be identified to and approved by CSCD.

5.13 Required Reports:

All reports are expected to be provided in electronic format to include fax, Excel, and ASCII text file formats for automated exchange with the Department's case management system.

5.13.1 Financial – Monthly Billing Invoice (in Excel) - Listing of all tests with the following information: Probationer, Cause#, Date, Chain-Of-Custody #, Test Panel Code, Charge to CSCD.

5.13.2 Statistical Reports to include the following information:

5.13.2.1 Number of Specimens collected and error rates (on collections, vendor and CSCD).

5.13.2.2 Number of specimens that were dilute, adulterated, and/or positive (by drug class).

5.13.2.3 Comparisons between collections and results reports.

5.13.2.4 Comparison between screens and confirmations.

5.13.2.5 Report of Results with Multiple Positives

5.13.3 Access to Lab Data: Automated Search/Lookup of Results (missing or suspected missing reports).

5.13.4 RUDTP Logs (Formatted ASCII Text Files):

5.13.4.1 Daily log of persons not submitting a test as scheduled (Monday – Friday). (Failure to Submit Log – FTS.)

5.13.4.2 Weekly list of current active enrollments.

5.13.5 According to the TDCJ-CJAD Financial Manual, “Vendors who provide offender services in amounts that exceed \$100,000 statewide (one or more CSCDs) must have an annual independent audit of the funds received from CSCDs.” The winning vendor must provide an independent audit on the total funds received from CSCD for each Fiscal Year (September 1 – August 31) if the \$100,000 threshold is reached. This audit must be completed in accordance with TDCJ-CJAD Audit Guidelines and be submitted to TDCJ-CJAD by December 31.

5.14 Implementation Plan

Proposals must include a time-line and implementation plan for initiating the requirements of this bid in the event the proposal is accepted. Proposal must include documentation of all forensic and professional licensures and certifications.

5.15 Other Requirements

Pages must be numbered and a table of contents must be included. Proposals may also be submitted electronically via www.bidsync.com.

5.15.2 Each proposal must respond to all portions of the RFP.

5.15.3 The Vendor may submit no changes, amendment(s), or modifications once it has submitted a proposal. However, the CSCD, in its sole discretion,

after the time set for receipt of proposals may negotiate a change, amendment, or modification to its advantage. The Vendor may, however, withdraw and resubmit a proposal anytime prior to the final date and time set for receipt of proposals.

- 5.15.4 The CSCD reserves the right to waive any technicality noted in the submission process. Submission of proposals confers no legal rights upon any Vendor. CSCD reserves the right to reject any or all proposals submitted.
- 5.15.5 The CSCD reserves the right to negotiate a contract with the Vendor(s) who, in its opinion, offer(s) the most advantageous proposal(s) for the purpose intended.
- 5.15.6 Each proposal shall be valid for 90 calendar days after the opening date of the proposal and shall constitute an irrevocable offer to the CSCD for the 90 calendar day period. The 90 calendar period may be extended by mutual agreement of the parties.
- 5.15.8 After opening of proposals and prior to award, the CSCD reserves the right to make a pre-award site visit of any or all proponent's facilities to be used in the performance of work under this solicitation. Vendor agrees to allow all reasonable requests for inspection of such facilities with two (2) days advance notice. Failure to allow such an inspection shall be cause for rejection of proposals as non-responsive. The CSCD reserves the right to reject facilities as unacceptable for performance under this solicitation as a result of such site visit survey.
- 5.15.9 The Vendor's past performance as determined by CSCD may also be used for purposes of evaluating Vendor's suitability for award under this solicitation.
- 5.15.10 Each proposal submitted to Collin County and the CSCD becomes the property of Collin County and the CSCD. All proposals submitted shall remain confidential until after contract award has been approved.
- 5.15.11 Products and services not specifically mentioned in this RFP, but which are necessary to provide the functional capabilities described by the Vendor, shall be included in the proposal. It is intended that this RFP describe the requirements and response format in sufficient detail to secure comparable proposals.
- 5.15.12 Proposals should not contain promotional or display materials, except as they may directly answer, in whole or in part, questions contained in the RFP. Such materials shall be clearly marked with a reference to the applicable section in the RFP.
