Subject: Additional backup for appointment

By appointing Suzanne Bowers to the North Texas Behavior Health Authority board, Collin County will provide insight on the Authority to one of our State Representatives, just as another board member provides to a member of the Senate Health and Human Services Committee.

Matt Wolff, NTBHA board member, works for Senator Bob Deuell, who serves on the Senate Health and Human Services Committee. Hunt County is the appointing authority for Mr. Wolff.

Likewise, Representative Jodie Laubenberg serves on the House Public Health Committee, the House counterpart to the Senate Health and Human Services Committee.
