**Re:** CIJS Tyler Odyssey Judge Edition System

---

The Court Technology Committee recommended the approval for the Tyler Odyssey Judge Edition System for all District and County Courtrooms. The District and County Courts have agreed to have these devices install in all courtrooms in order to handle Odyssey cases electronically at the bench. Currently there will be case documents that must be printed for either signature, copies for other parties or by statute that will part of this process. This project is not to exceed \$169,952.00.
