Re: NCTCOG Grant Request

Public Works requests Commissioners' Court consideration and approval to apply for grant funding through NCTCOG.

The Solid Waste Implementation Project Grant will consist of two separate applications:

- Collin County Citizen Household Hazardous Waste Collection Day. The event will be held in Collin County. The HHW Collection Day will offer a solution for recycling and disposal of household hazardous waste to the citizens of Collin County.
- Public Service Announcements – Illegal Dumping Video Public Service Announcements to be re-aired and other illegal dumping advertisement. The Public Service Announcements and advertisements will educate and solicit public's help in eradicating illegal dumping.

Should you require additional information, please contact me and I will respond accordingly.
