MEMORANDUM

DATE: March 12, 2012
TO: Chief Deputy Rick Allen
FROM: Lieutenant Mark Sanderson *MS*
RE: ICAC Grant Supplemental Agreement

This is a request to accept the "Internet Crimes Against Children (ICAC)" Grant Supplemental Agreement with the City of Dallas. The amount of the grant is amended to add an amount not to exceed \$10,000. Our 2010 award was \$7500; our 2011 award is \$10,000; which makes the total go to \$17,500. This is a supplement on a continuing grant that we have received for several years now. This sum may be used for expenses incurred for equipment, travel, training, overtime, and undercover expenses for operations to combat internet crimes against children. There are no Collin County funds required for this grant.

I recommend, R.A.
