RE: 2012 Lake Patrol

Attached, please find the 2012 Lake Patrol Contract with the Corp of Engineers. For well over 20 years, the Collin County Sheriff's Office has worked with the Lake Lavon Corp Management to provide additional patrol for Lake Lavon during the summer peak months at no expense to Collin County. This contract calls for 672 hours of patrol. This partnership allows us to have additional manpower in the lake area during the summer months when activity is highest.

Deputies work this contract on as an overtime job. The cost is paid by the Corps of Engineers as per the contract. Only non-exempt Deputies may work this contract.

Please consider approval of the attached contract and budget.
