Re: County Road 618 Upgrade

Public Works has received a written reimbursement request from Tony Gray. The reimbursement request is for replacement costs of fence materials due to the County Road 618 Upgrade. The reimbursement dollar amount required to compensate Mr. Gray is calculated as follows:

985 feet of 5 strand barbed wire with 20 foot T-post spacing = \$2,245.80
3 each of "H" braces @ \$331.00 each = \$993.00
1 each of corner brace @ \$420.00 each = \$420.00
Total = \$3,658.80

Funds have been budgeted to accommodate construction costs of this project. We recommend your approval of the aforementioned, requested amount of \$3,658.80 to be paid to Tony Gray.

Should you require additional information, contact me and I will respond accordingly.
