Re: FYI - County Wide Microsoft EA (Enterprise Agreement) – Terms Update

The Information Technology would like to respectfully inform court with update on renewal terms of the Microsoft EA (annual) three year agreement in the amount of \$527,699.52 for year one. Year one date range covers 07/01/2012 – 09/30/2013. Year two and three annual payment charges will be determined per state contract terms assigned for that fiscal year and charged on standard fiscal year timeframe, meaning 10/01 – 09/30 terms. This renewal provides licensing compliance for all Microsoft products utilized in our county wide technology infrastructure.
