FROM Jon Kleinheksel, Public Works Director 
RE Sale of Surplus Dump Trucks

Fannin County has asked to purchase four surplus County dump trucks- Inventory #32121, #32123, #36191 and #36192- which are being replaced in our fleet this year. The replacement trucks are on order and Fannin County has been advised, if approved, that they will not be able to take possession of the trucks until our new units are received, which is expected to be in November or December 2012. They are in agreement with this provision.

Fannin County has offered to pay \$7,500 for each of the trucks (a total of \$30,000) which is the amount offered in trade by the vendor, Southwest International. Attached is a copy of the letter we received from the Fannin County Purchasing Agent, Jill Edwards-Holmes and their Commissioners' Court Order approving such purchase.

We recommend the sale of these units to Fannin County, Texas and ask for your approval to proceed.
