RE: FY 2013 FEE SCHEDULE AMENDMENT

The Justice Courts respectfully requests an amendment to the FY 2013 fee schedule to include an Attorney Notification Fee. This amendment will allow for the collection of a \$20 fee for the subscription of a new feature that notifies the lead attorney each time a filing is made on his/her case.

This is a new feature that will be offered as an optional service to the attorney subscribers and will be collected with the Annual Attorney Subscriber fee.
