October 2, 2012

TO THE COLLIN COUNTY COMMISSIONERS COURT:

We have reviewed the proposals which have been submitted in response to the County's Solicitation No. 06273-12 seeking proposals for the provision of outpatient drug and alcohol rehabilitation treatment to those individuals who participate in the County's three drug court programs.

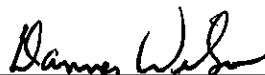

Having reviewed and scored the proposals, we recommend that Collin County enter into contracts with Life Management Resources, Grace To Change and Lifepath Systems.
