Registration Inspection for Quarantine and Shelters

Date 18 Aug 06 Name of Manager Misty Brown Registration No. _____

Name of Establishment Collin Co. Animal Shelter Inspector Glenn Howard DM

Location of Establishment 4750 Community Dr Mailing Address Same

City McKinney State TX Zip Code 75071

Phone 972/547-7292 County Collin

Note to inspector: Put Yes, No, or N/A (Not applicable) in the columns to the right of the question.

A. Construction		
1. Is the facility adequate to protect animals & prevent their escape during unloading & confinement?	Yes	6. Are animals separated by species & by sex? Yes
2. Does the facility have electricity & running water?	Yes	7. Are fans or air conditioning provided in indoor facilities when temperature is greater than 85°F? Yes
3. Does the floor slope to drains & gutters?	Yes	8. Does the facility keep records on each animal? N/A
4. Is lighting adequate to provide a safe workplace & allow evaluation of animal health & facility cleanliness?	Yes	9. Is food rotated so older supplies are used first? N/A
5. Is there a place to wash, rinse, sanitize, & dry water & food bowls?	Yes	10. Is there a written protocol concerning when to euthanize ill or injured animals prior to the end of the holding period? N/A
6. Is hot water available?	Yes	11. If a carbon monoxide (CO) chamber is used, is there provision for adequate ventilation? N/A
7. Is there a place for employee hand washing?	Yes	12. Is there effective insect & rodent control? N/A
8. Is the food storage area easily cleaned?	Yes	13. Are animals protected from cold weather? Yes
9. Are feces & liquid waste washed into a sewer or septic tank?	Yes	14. Are animals protected from direct rays of sun? Yes
10. Are drains of adequate size for waste?	Yes	15. Is there provision for euthanasia to take place away from public view? Yes
11. Are there adequate hose bibs & hoses?	Yes	16. Is there lockable storage for controlled drugs? Yes
12. Is there a method to keep hoses off the floor when they are not in use?	Yes	17. Are animals of relatively the same size sharing cages/pens? N/A
13. Are drains covered with grates to prevent animals from stepping into them?	Yes	18. Is fresh water offered at least twice daily for at least hour? N/A
14. Is there adequate ventilation to minimize disease transmission, odors, & condensation?	Yes	19. Do domestic ferrets have 24-hour access to food & to water in a drinking bottle? N/A
15. Are all animal areas (including floors) constructed of durable, nonabsorbent materials that can be washed with a water hose & sanitized?	Yes	20. Are sick or injured animals segregated from well animals? Yes
16. Are drains & gutters arranged so waste from one animal does not flow through another animal's enclosure?	Yes	21. Is there an office area for officer paperwork & record keeping? Yes
		C. Cleaning/sanitizing
		1. Are storage areas organized to facilitate cleaning & minimize insect & rodent infestation? Yes
B. Management		2. Is open dry food stored in closed containers? Yes
1. Are dogs & cats fed daily?	N/A	3. Is the facility, including cages & kennels, clean? Yes
2. Are cages & kennels large enough to comfortably accommodate the animals?	Yes	4. Are outside premises maintained to minimize insect & rodent harborage? Yes
3. Has the facility manager successfully completed a Texas Department of Health ACO training course?	N/A	5. Is the food stored off the floor & protected from moisture & vermin? Yes
4. Do records document animal description, intake date, & method of disposition?	N/A	6. Do trash & excrement disposal procedures minimize odors, vermin, & disease hazards? N/A
5. Is auxiliary heat or bedding provided when the temperature is below 50°F?	Yes	7. If disposable food pans are used, are they discarded after each feeding? N/A

Facility

Registration No.

D. Quarantine		7. Do enclosures have tops to prevent escape?	Yes
1. Does the facility have a written Standard Operating Procedure (SOP)?	Yes	8. Is there a secondary door to prevent escape of an animal if it gets out of its cage?	Yes
2. Is the SOP specific for the facility?	N/A	9. Is there a barrier to exclude the public from the quarantine area?	Yes
3. Is the SOP posted & easily accessible to all employees?	N/A	10. Have staff members been administered rabies pre-exposure immunizations?	Yes
4. Does the SOP give a clear description of how quarantine animals are to be handled?	N/A	11. Do enclosures have "Rabies Quarantine" signs posted?	N/A
5. Is it easy to distinguish which animals are actually in quarantine from those using quarantine cages as "overflow" cages?	N/A	12. Do cages have solid walls to prevent physical contact between animals?	Yes
6. Is there documentation of twice-daily observations of quarantined animals?	N/A		

This facility has approximately 61 cat cages & 60 dog cages/pens.

When the facility was inspected today, it was housing approximately 0 cats & 0 dogs.

Inspector Comments:

NEW FACILITY, NOT HOUSING ANY ANIMALS AS OF 1/13

Rating: Satisfactory Unsatisfactory _____ Probation _____
