Re: License Renewal for Use of Corp Property Adjacent to Sister Grove Park

The Engineering Department requests Commissioners Courts approval of the attached license agreement renewal with the U.S. Army Corp of Engineers. This agreement will allow us to continue using portions of the Corp of Engineers property adjacent to Sister Grove Park for a hike/bike trail.

If approved, please have Judge Self execute two (2) originals as directed on the attached cover letter dated November 15, 2012. Once executed, please return both originals to Jeff Durham for processing.

We will be available to answer any questions you might have regarding this matter.
