Re: Abandonment of CR 160

Public Works has received a written request to abandon County Road 160 located between US380 and CR161, just west of FM1461. This dirt road is within the E.T.J. of the City of McKinney and within the boundary of Collin County maintenance. (Precinct No. 1)

CR160 is surrounded entirely by parcels of land owned by Felix Chen. Since no residential or commercial structures exist along the road, no homes or businesses will be adversely impacted by this action. CR160 is essentially a field road that experiences light traffic, mainly in the form of four wheelers engaging in recreational fun. However, this sort of activity can create a hazard considering its close proximity to US380 at the southern end.

PW has reviewed the request and endorses this action. The appropriate executed copies of notice and petition requesting the abandonment have been processed and attached hereto.
