Jon,

Thanks for your call with respect to the US 380 project in the vicinity of CR 160. Attached is the TxDOT drawing with respect to that intersection. TxDOT issued the plans a while ago prior to the abandonment of the road, so they show connecting to it with their project. The drawing does show the guard fence as you mentioned as well as approximately 100 feet of paving.

Thanks,
Michael

Hal & jack~

I am about to take the aforementioned item to Commissioner's Court for consideration.

Has the City of McKinney passed a resolution regarding this road or addressed this issue?

If not, does the City of McKinney have any objections to this road abandonment.

Jon
