Re: FYI  
City of Melissa Mutual Boundary Work & Road Repair Request

The Melissa City Council passed a resolution requesting the reallocation of funds from the 2007 Collin County Transportation Bond program in the amount of \$285,119.24. These funds would be shifted to the improvement of six mutual boundary roads. Listed below are the six Mutual Boundary roads.

CR279  
CR362  
CR364  
CR413  
CR418

Because of current commitments and resource allocations, spring 2013 is the earliest Public Works could schedule these projects. Also, Public Works will deliver a final product that meets all County Road Standards. However, due to many intrinsic variables including:

- Inclement weather
- Traffic patterns
- Soil conditions
- Future road maintenance
- Trees and drainage maintenance

Public Works will not provide a warranty for roads reconstructed within or adjacent to the Melissa boundaries. (Please note on the court order).
