Dear Jon:

In regards to the cooperative Mutual Boundary Road project, the City of Melissa would like to request that Collin County reduce the County's participation in the future Throckmorton Road west project, as previously approved by the voters in the 2007 transportation bond election. The project was estimated at \$7,330,000, of which Collin County approved participation in \$3,665,000. The City is requesting that Collin County's allocation be reduced by \$285,119.24, the City's match required for the Mutual Boundary Roads project. At such point in time as the City begins reconstruction of the remainder of Throckmorton Road, the County's participation will be reduced by any amount already issued by Collin County and the cost of the Mutual Boundary Roads project.

Please do not hesitate to contact me with any questions.

Respectfully submitted,

Jason Little
City Manager
