

RESOLUTION

EMERGENCY SERVICES PROGRAM

WHEREAS, citizens of rural Texas desire access to 9-1-1 emergency services in an efficient manner, as evidenced by approval of the monthly fee on business and residential phone bills; and

WHEREAS, the 9-1-1 emergency services dispatch and response depends on equipment which must function reliably on a continuous basis; and

WHEREAS, older equipment reaches a point of being high maintenance and becomes unreliable; and

WHEREAS, technology continues to improve, necessitating upgrading hardware and software for reverse 9-1-1 services and other needs;

NOW, THEREFORE, BE IT RESOLVED that the Collin County Commissioners Court urges our state legislators to provide full funding to the Emergency 9-1-1 Services Program for maintenance and improvement; and

BE IT FURTHER RESOLVED that funds generated by the 9-1-1 surcharge will not be used by the Legislature as money set aside to balance the state budget; and

BE IT ALSO RESOLVED that any such funds set aside that currently exist be fully appropriated for the Emergency 9-1-1 Services Program.
