Subject: Request to allocate Discretionary Dollars to the City of Richardson for Major Thoroughfare Rehabilitation. New 2007 Discretionary Bond Project #07-00-17. Collin County participation will not exceed \$687,500.

The city of Richardson is requesting 2007 Bond Discretionary Dollars for rehabilitation for the following major thoroughfares (Project maps and current pictures attached):

- 1) **Renner Road from Waterview Parkway to Murphy Road.** Total Project Cost \$275,000. CC participation \$137,500.
- 2) **Collins/Alma from Prairie Creek Dr. to SH 190.** Total Project Cost \$450,000. CC Participation \$225,000.
- 3) **Waterview Parkway, Synergy Park Blvd., Floyd Dr., Lookout Dr. and Custer Rd.** Total Cost for all 4 roads \$650,000. CC Participation \$325,000.

The majority of the work will be replacing deteriorated pavement. The rehabilitation will increase the roadway's current level of service and aid mobility. These projects are similar in nature to the projects that were approved in the original 2007 Bond program for the City of Plano.

The rehabilitation projects were ranked as one project. When entered into the matrix criteria it scored a 60. The condition for "adding capacity" had to be ignored in order for it to be ranked.

If this item is approved, an Interlocal Agreement will be drafted and placed on a future Commissioners Court agenda for your approval and funding allocation.

We request Commissioners' Court consider approval of the allocation of Discretionary Dollars to the City of Richardson for Major Thoroughfare Rehabilitation.
