Re: i-Phone for the Chief Deputy Constable

The Chief Deputy Constable at Precinct 3 is in need of an i-phone to allow him to be more efficient in his duties as the Functional Analyst for the Odyssey Computer system and, being the only Chief Deputy Constable, is responsible to assist the other Constable's Offices and Sheriff's Office civil deputies with technical questions.

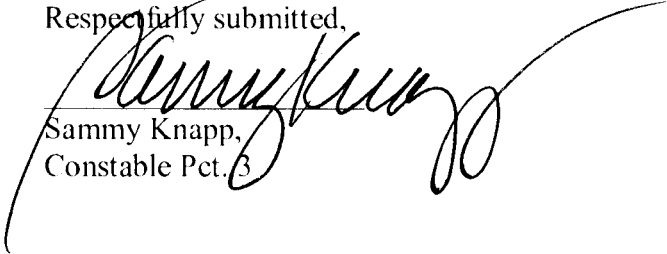

The Chief Deputy Constable currently is unable to receive documents to review on his County issued cell phone. There are times where he is requested by the other Constable's Offices or the Sheriff's Office civil deputies to review documents and he is not near a computer. There are also times he is in need to review items in Odyssey and is not near a computer.

In the FY2013 Budget process we requested a new position to be the Functional Analyst for Odyssey Law Enforcement to assist the Constable's and Sheriff's Office civil divisions; this position will not be requested by Constable Pct. 3 in the FY2014 Budget Process.

The Chief Deputy Constable will continue to be the Functional Analyst for Law Enforcement Odyssey for the civil records management along with his other duties.

Respectfully submitted,

Sammy Knapp,
Constable Pct. 3
