TO: Collin County Commissioners Court

FROM: Ruben E. Delgado, P.E.; Director of Engineering

SUBJECT: Request Approval for the Interlocal Agreement between Collin County and the Town of St. Paul concerning funding for Engineering services for FM 2514 (Parker Rd) from Lavon Parkway to 250 feet south of curve at Butscher's Block. Bond Project #99-00-17

---

Collin County approved an Engineering Services contract with Birkhoff, Hendricks and Carter, L.L.P. to provide engineering services for FM 2514 (Parker Rd.) from FM 2551 to just east of FM 1378 on July 26, 2005, Court Order #2005-538-07-26 for \$174,700 and amendment number 1 on April 19, 2010, Court Order No. 2010-267-04-19 for \$403,200 bringing the total contract amount to \$577,900.

On March 18, 2013, Court approved a contract amendment #2 with Birkhoff, Hendricks and Carter which netted a savings of \$132,650. Court also approved a contract amendment #3 to extend the limits from Lavon Parkway to 250 feet south of the curve at Butscher's Block. This amendment totaled \$216,850. With the \$132,650 in savings from contract Amendment #2, the difference is \$84,200. The town of St. Paul has agreed to fund this difference. Attached is the ILA, already signed by the town's council, committing St. Paul to this amount. The ILA states that St. Paul shall remit funds to Collin County within thirty (30) days after the county executes the contract amendment with Birkhoff, Hendricks and Carter.

We request Commissioners Court approval of the attached Interlocal Agreement with St. Paul and allow Judge Self to execute the agreement. There is no fiscal impact to Collin County.
