CITIGROUP GLOBAL MARKETS INC. (the "Representative") and **ESTRADA HINOJOSA & COMPANY, INC.** (collectively, the "Underwriters"), offer to enter into this Purchase Contract (the "Purchase Contract") with **COLLIN COUNTY, TEXAS** (the "County") for the purchase by the Underwriters of the County's *Unlimited Tax Road and Refunding Bonds, Tax-Exempt Series 2013A* (the "Tax-Exempt Bonds") and *Unlimited Tax Refunding Bonds, Taxable Series 2013B* (the "Taxable Bonds", and together with the Tax-Exempt Bonds, the "Securities"). 1. **Purchase and Sale of the Securities.** (a) Upon the terms and conditions and upon the basis of the representations set forth herein, the Underwriters, jointly and severally, hereby agree to purchase from the County, and the County hereby agrees to sell and deliver to the Underwriters the Tax-Exempt Bonds in an aggregate principal amount of **\$40,295,000.00** (representing the original aggregate principal amount of the Tax-Exempt Bonds). (b) The purchase price for the Tax-Exempt Bonds shall be **\$44,607,879.67** (representing the principal amount of the Tax-Exempt Bonds, plus a net original issue premium on the Tax-Exempt Bonds in the amount of **\$4,516,686.15**, and less an Underwriters' discount on the Tax-Exempt Bonds

of \$203,806.48) plus accrued interest from their dated date to the date of the payment for and delivery of the Tax-Exempt Bonds.

(c) Upon the terms and conditions and upon the basis of the representations set forth herein, the Underwriters, jointly and severally, hereby agree to purchase from the County, and the County hereby agrees to sell and deliver to the Underwriters the Taxable Bonds in an aggregate principal amount of \$15,970,000.00 (representing the original aggregate principal amount of the Taxable Bonds). The Taxable Bonds shall have the maturities, interest rates and be subject to redemption in accordance with the provisions of Exhibit A hereto and shall be issued and secured under the provisions of the Taxable Bond Order (as defined below).

(d) The purchase price for the Taxable Bonds shall be \$17,175,995.70 (representing the principal amount of the Taxable Bonds, plus an original issue premium on the Taxable Bonds in the amount of \$1,281,053.55, and less an Underwriters' discount on the Taxable Bonds of \$75,057.85) plus accrued interest from their dated date to the date of the payment for and delivery of the Taxable Bonds.

(g) *CITIGROUP GLOBAL MARKETS INC.*, as the Representative, represents that it has been duly authorized to execute this Purchase Contract and has been duly authorized to act hereunder as the Representative. All actions that may be taken by the Underwriters hereunder may be taken by the Representative alone.

2. **Orders.** The Tax-Exempt Bonds shall be as described in and shall be issued and secured under the provisions of an order adopted by the County on June 3, 2013, authorizing the issuance and sale of the Tax-Exempt Bonds (the "Tax-Exempt Bond Order"). The Taxable Bonds shall be as described in and shall be issued and secured under the provisions of an order adopted by the County on June 3, 2013, authorizing the issuance and sale of the Taxable Bonds (the "Taxable Bond Order", and together with the Tax-Exempt Bond Order, the "Orders"). The respective series of Securities shall be secured and payable as provided in the Order authorizing their issuance.

3. **Public Offering.** It shall be a condition of the obligations of the County to sell and deliver the Securities to the Underwriters, and of the obligations of the Underwriters to purchase and accept delivery of the Securities, that the entire principal amount of the Securities set forth in the Orders shall be sold and delivered by the County and accepted and paid for by the Underwriters at the Closing. The Underwriters agree to make a bona fide public offering of all of the Securities, at prices not in excess of the initial public offering prices, as set forth in the Official Statement; provided however at least ten percent (10%) of the principal amount of the Securities of each maturity thereof shall be sold to the "public" (exclusive of dealers, brokers and investment bankers, etc.) at the initial offering price set forth in the Official Statement. On or before the Closing (as hereinafter defined), the Representative shall execute and deliver to Bond Counsel an issue price certificate for the Securities prepared by Bond Counsel verifying the initial offering prices to the public at which the Underwriters reasonably expected to sell or in fact sold a substantial amount of each stated maturity of the Securities to the public.

4. **Security Deposit.** Delivered to the County herewith as a good faith deposit is a corporate check of the Representative payable to the order of the County in the amount of \$562,650.00. Such check is a common "Good Faith" check for the Tax-Exempt Bonds and the Taxable Bonds, and an amount of such check that is proportionate to the principal amount of that the respective series of Securities bears to the combined principal amount of the Securities may be applied toward any obligation of the Underwriters owing as a result of the failure of the Underwriters to accept delivery of a series of the Securities, as provided herein. In the event the County accepts this Purchase Contract, such check shall be held by the County as security for the performance of the Underwriters of their obligation to purchase, accept delivery of and pay for the Securities under this Purchase Contract. Such check shall be held uncashed by the County until the time of Closing, at which time such check shall be returned uncashed to the Representative. In the event that the County does not accept this Purchase Contract, such check will be immediately returned to the Representative. Should the County fail to deliver the Securities at the Closing, or should the County be unable to satisfy the conditions of the Securities of the Underwriters to purchase, accept delivery of, and pay for the Securities, as set forth in this Purchase Contract (unless waived by the Representative), or should such Securities of the Underwriters be terminated for any reason permitted by this Purchase Contract, such check shall immediately be returned to the Representative. In the event that the Underwriters fail (other than for a reason permitted hereunder) to purchase, accept delivery of, and pay for the Securities at the Closing as herein provided, such check shall be cashed and the amount thereof as relates to the proportionate amount of the Securities of each series offered with respect to which the Underwriters fail to perform (other than for a reason permitted hereunder) shall be retained by the County as and for fully liquidated damages, and not as a penalty for such failure of the Underwriters and for any defaults hereunder on the part of the Underwriters. Acceptance of such check by the County shall constitute a full release and discharge of all claims and damages for such failure and/or any and all such defaults, and the County shall have no further action for damages, specific performance, or any other legal or equitable relief against the Underwriters. The Underwriters and the County understand that in such event the County's actual damages may be greater or may be less than such amount. Accordingly, the Underwriters hereby waive any right to claim that the County's actual damages are less than such amount, and the County's acceptance of this Purchase Contract shall constitute a waiver of any right the County may have to additional damages from the Underwriters. The Representative hereby agrees not to stop or cause payment on the check to be stopped unless the County has breached any of the terms of this Purchase Contract.

5. **Official Statement.** The Official Statement, including the cover pages and Appendices thereto, of the County, dated June 3, 2012, with respect to the Securities, as further amended only in the manner herein provided, is hereinafter called the "Official Statement". The County hereby authorizes the Orders and the Official Statement and the information therein contained to be used by the Underwriters in connection with the public offering and sale of the Securities. The County confirms its consent to the use by the Underwriters prior to the date hereof of the Preliminary Official Statement, relative to the Securities, dated May 24, 2013 (the "Preliminary Official Statement"), in connection with the preliminary public offering and sale of the Securities, and it is "deemed final" as of its date, within the meaning, and for the purposes, of Rule 15c2-12 promulgated under authority granted by the federal Securities and Exchange Act of 1934

(the "Rule"). The County agrees to cooperate with the Underwriters to provide the Official Statement, within seven business days of the date hereof, in a "designated electronic format", as defined in and specified by Rule G-32 of the Municipal Securities Rulemaking Board (the "MSRB") and in sufficient quantities for the Underwriters to satisfy the requirements of Rule G-32 of the MSRB obligating the Underwriters to deliver a copy of the Official Statement to a purchaser of the Securities not later than the date of Closing, as defined herein, upon an Underwriters' receipt from the purchaser of a request therefor. The Underwriters will use their best efforts to assist the County in the preparation of the final Official Statement in order to ensure compliance with the aforementioned rules.

If at any time after the date of this Purchase Contract but before the first to occur of (i) the date upon which the Underwriters notify the County that the period of the initial public offering of the Securities has expired or (ii) the date that is 90 days after the date hereof, any event shall occur that might or would cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the County shall notify the Representative, and if, in the opinion of the Representative, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the County will at its expense supplement or amend the Official Statement (in a manner approved by the Representative) and furnish to the Underwriters, in a "designated electronic format", so that the statements in the Official Statement as so amended and supplemented will not, in light of the circumstances when the Official Statement is delivered to a purchaser, be misleading or so that the Official Statement will comply with law.

To the best knowledge and belief of the County, the Official Statement contains information, including financial information or operating data, as required by the Rule. Except as disclosed in the Official Statement, the County has not failed to comply with any undertaking specified in paragraph (b)(5)(i) of the Rule within the last five years.

6. **Representations, Warranties and Agreements of the County.** On the date hereof, the County represents, warrants and agrees as follows:

(a) The County is a political subdivision of the State of Texas and a body politic and corporate, and has full legal right, power and authority to enter into this Purchase Contract, to adopt the Orders, to sell the Securities, and to issue and deliver the Securities to the Underwriters as provided herein and to carry out and consummate all other transactions contemplated by the Orders (including the Undertaking defined below in Section 8(e)(2)), the Escrow Agreements (as defined below) and this Purchase Contract and all documents required hereunder and thereunder to be executed and delivered by the County (this Purchase Contract, the Orders, the Undertaking and the Escrow Agreements and the other documents referred to in this clause are hereinafter referred to as the "County Documents");

(b) By official action of the County prior to or concurrently with the acceptance hereof, the County has duly adopted the Orders, has duly authorized and approved the execution and delivery of, and the performance by the County of the obligations contained in the Securities, the Escrow Agreements and this Purchase Contract and has duly authorized and approved the performance by the County of its obligations contained in the Orders, including, without limitation, the submission of a transcript of proceedings to the Public Finance Division of the Office of the Attorney General of Texas (the "Attorney General") for the approval of the Securities; and the County Documents each constitute legal, valid and binding agreements of the County, enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium, sovereign immunity of political subdivisions, and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights or by general principles of equity which permit the exercise of judicial discretion;

(c) The County is not in breach of or default under any law or administrative regulation of the State of Texas or the United States (including regulations of their respective agencies) applicable to the issuance of the Securities or any applicable judgment or decree or any loan agreement, note, order, agreement or other instrument, except as may be disclosed in the Official Statement, to which the County is a party or to the knowledge of the County it is otherwise subject, that would have a material and adverse effect upon the business or financial condition of the County; and the execution and delivery of the Securities and this Purchase Contract by the County and the adoption of the Orders by the County and compliance with the provisions thereof will not violate or constitute a material breach of or default under any existing law or administrative regulation, or any judgment, decree or agreement or other instrument to which the County is a party or, to the knowledge of the County, is otherwise subject;

(d) All approvals, consents and orders of any governmental authority or agency having jurisdiction of any matter that would constitute a condition precedent to the performance by the County of its obligations to sell and deliver the Securities hereunder will have been obtained, except for the approval of the Securities by the Attorney General and registration of the Securities by the Office of the Comptroller of the State (the "Comptroller"). The County represents that a transcript of proceedings will be filed with the Attorney General in form and substance consistent with the administrative rules of the Public Finance Division of the Attorney General, which will permit the review of such transcript and the approval of the Securities by the Attorney General, and the registration of the Securities by the Comptroller on or before the Closing, as required by Section 8(e)(7) hereof, but subject to the discretion of the Attorney General with respect to the issuance of his approving opinion;

(e) At the time of the County's acceptance hereof and at the time of the Closing, the Official Statement does not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the

statements therein, in the light of the circumstances under which they were made, not misleading;

(f) Between the date of this Purchase Contract and the Closing, the County will not, without the prior written consent of the Underwriters, sell or issue any additional bonds, notes or other obligations for borrowed money payable in whole or in part from ad valorem taxes, other than the "Limited Tax Bonds" described in the Official Statement, and the County will not incur any material liabilities (except in the ordinary course of business), direct or contingent, nor will there be any adverse change of a material nature in the financial position of the County;

(g) Except as described in the Official Statement, no litigation is pending or, to the knowledge of the County, threatened in any court affecting the corporate existence of the County, the title of its officers to their respective offices, or seeking to restrain or enjoin the issuance or delivery of the Securities, affecting or seeking to prohibit, restrain or enjoin the collection of ad valorem taxes pledged to the payment of the principal of and interest on the Securities, or in any way contesting or affecting the issuance, execution, delivery, payment, security or validity of the Securities, or in any way contesting or affecting the validity or enforceability of the Orders, or contesting the powers of the County, or any authority for the Securities, the Orders, the Escrow Agreements or this Purchase Contract or contesting in any way the completeness, accuracy or fairness of the Preliminary Official Statement or the Official Statement;

(h) The County will cooperate with the Underwriters in arranging for the qualification of the Securities for sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Representative designates, and will use its best efforts to continue such qualifications in effect so long as required for distribution of the Securities; provided, however, that the County will not be required to execute a consent to service of process or to qualify to do business in connection with any such qualification in any jurisdiction;

(i) The descriptions of the Securities and the Orders contained in the Official Statement accurately summarize certain provisions of such instruments, and the Securities, when validly executed, authenticated and delivered in accordance with the Orders and sold to the Underwriters as provided herein, will be validly issued and outstanding obligations of the County entitled to the benefits of, and subject to the limitations contained in, the Orders;

(j) If prior to the Closing an event occurs affecting the County that is materially adverse for the purpose for which the Official Statement is to be used and is not disclosed in the Official Statement, the County shall notify the Representative, and if in the opinion of the County and the Representative such event requires a supplement or amendment to the Official Statement, the County will supplement or amend the Official Statement in a form and in a manner approved by the Representative;

(k) The financial statements contained in the Official Statement present fairly the financial position of the County as of the date and for the period covered thereby and are stated on a basis substantially consistent with that of the prior year's audited financial statements;

(l) Any certificate signed by any official of the County and delivered to the Underwriters shall be deemed a representation and warranty by the County to the Underwriters as to the truth of the statements therein contained;

(m) The County will not knowingly take or omit to take any action, which action or omission will in any way cause the proceeds from the sale of the Tax-Exempt Bonds to be applied in a manner other than as provided in the Tax-Exempt Bond Order or that would cause the interest of the Tax-Exempt Bonds to be includable in gross income of the holders thereof for federal income tax purposes; and

(n) The County maintains internal controls and procedures designed to ensure that material information relating to the County is made known to the appropriate officials of the County responsible for the County's compliance with the disclosure obligations of the County under federal securities laws including, without limitation, the County's compliance with the Undertaking.

7. **Closing.** By 10:00 A.M., Central Time, on July 9, 2013 (the "Closing"), the County will deliver the initial securities certificates of the Securities of each series (as provided for in the Orders) to the Underwriters and the County shall take appropriate steps to provide The Depository Trust Company ("DTC") with one definitive securities certificate for each year of maturity of the Securities, and to provide the Underwriters with the other documents hereinafter mentioned. On or prior to the date of Closing, the Underwriters shall make arrangements with DTC for the Securities to be immobilized and thereafter traded as book-entry only securities and on the date of Closing the Underwriters will accept such delivery and pay the purchase price of the Securities as set forth in Section 1 hereof in immediately available funds. In addition, the County and the Underwriters agree that there shall be a preliminary closing held at such place as the County and the Underwriters shall mutually agree, commencing at least 24 hours prior to the Closing; provided, however, in lieu of this preliminary closing Bond Counsel, as defined below, may provide the counsel to the Underwriters with a complete Transcript of Proceedings on the business day preceding the Closing. **Re: \$40,295,000 Collin County, Texas Unlimited Tax Road and Refunding Bonds,
Tax-Exempt Series 2013A**

**\$15,970,000 Collin County, Texas Unlimited Tax Refunding Bonds,
Taxable Series 2013B**

Ladies and Gentlemen:

We have acted as counsel for you as the underwriters of the securities described above (the "Securities"), issued under and pursuant to orders (the "Orders") of the Collin County, Texas (the "County"), authorizing the issuance of the Securities, which Securities you are purchasing pursuant to a Purchase Contract, dated June 3, 2013. All capitalized undefined terms used herein shall have the meaning set forth in the Purchase Contract.

In connection with this opinion letter, we have considered such matters of law and of fact, and have relied upon such certificates and other information furnished to us, as we have deemed appropriate as a basis for our opinion set forth below. We are not expressing any opinion or views herein on the authorization, issuance, delivery, validity of the Securities and we have assumed, but not independently verified, that the signatures on all documents and Securities that we have examined are genuine.

Based on and subject to the foregoing, we are of the opinion that, under existing laws, the Securities are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Orders are not required to be qualified under the Trust Indenture Act of 1939, as amended.

Because the primary purpose of our professional engagement as your counsel was not to establish factual matters, and because of the wholly or partially nonlegal character of many of the determinations involved in the preparation of the Official Statement dated June 3, 2013 (the "Official Statement") and because the information in the Official Statement under the headings "THE OBLIGATIONS - Book-Entry-Only System," "TAX MATTERS," "CONTINUING DISCLOSURE OF INFORMATION - Compliance with Prior Undertakings" and Appendices A, B and C thereto were prepared by others who have been engaged to review or provide such information, we are not passing on and do not assume any responsibility for, except as set forth in the last sentence of this paragraph, the accuracy, completeness or fairness of the statements contained in the Official Statement (including any appendices, schedules and exhibits thereto) and we make no representation that we have independently verified the accuracy, completeness or fairness of such statements. In the course of our review of the Official Statement, we had discussions with representatives of the County regarding the contents of the Official Statement. In the course of our participation in the preparation of the Official Statement as your counsel, we had discussions with representatives of the County, Bond Counsel and Financial Advisor, regarding the contents of the Official Statement. In the course of such activities, no facts came to our attention that would lead us to believe that the Official Statement (except for the financial statements and other financial and statistical data contained therein, the information set forth under the headings "THE OBLIGATIONS - Book-Entry-Only System," "TAX MATTERS," "CONTINUING

DISCLOSURE OF INFORMATION – Compliance with Prior Undertakings" and Appendices A, B and C thereto, as to which we express no opinion), as of its date contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

This opinion letter may be relied upon by only you and only in connection with the transaction to which reference is made above and may not be used or relied upon by any other person for any purposes whatsoever without our prior written consent.

Respectfully,
