**FOR YOUR INFORMATION**

Under the Bylaws of the North Central Texas Council of Governments, each member government is entitled to one voting representative on the General Assembly. The **voting representative must be an elected official from the governing body of the member government.** This voting representative serves as a liaison between the local government and NCTCOG; receives publications and announcements from NCTCOG; and is eligible to vote on proposed Bylaws amendments and for candidates to serve on NCTCOG's Executive Board. A city or county official must be a designated voting representative in order to be considered for service on the Executive Board.

Some voting representatives may have retired from office or some member governments may wish to select a different representative from the one currently serving. Therefore, NCTCOG annually requests recertification of voting representatives – usually after the municipal/school board elections. Use this form to designate your official voting representative to NCTCOG. If you wish, you have the option to list your **existing voting representative, without formal reappointment,** unless that person is no longer in office.
