Re: Approval to Apply

The Collin County Constables respectfully request approval to apply for a CoServ Charitable Foundation grant in the amount of \$28,475 to purchase conducted energy devices (CEDs), also known as TASERs. This equipment will provide constables with an additional option in the force continuum and have been shown to reduce injury rates for both officers and offenders. The CoServ Charitable Foundation will next be reviewing applications on June 18. Funding, if awarded, must be spent within 12 months.
