Re: Request from the Texas Commission on Environmental Quality (TCEQ) for the Return of Previously Obligated Local Initiative Project (LIP) Funds

The Texas Commission on Environmental Quality (TCEQ) is requesting the return of \$78,192.88 in LIP funds previously allocated to Collin County for FY 2011, 2012 and 2013. TCEQ is also requesting that we allow these funds to be utilized by another participating County.

The deadline to have a project approved for funding by TCEQ is August 31, 2013. Collin County does not have any eligible project proposals forthcoming at this time.

A copy of their letter seeking de-obligation of funds is attached and we will be available to answer any questions you might have regarding this matter.
