

Addendum for Collin County Application for Mass Gathering Permit.

1. Financial Statement attached.
2. Contract with Myers Park attached.
3. We will be limiting the number of people at the event by preselling our event registration online. We require that each participant have a race bib provided by us. We distribute that at a packet pickup event held the two days prior to the event. Runners found without their race bib will be required to leave the event.
4. There will be no live performers at the event.
5. Not Applicable.
6. Our organization will be renting 45-60 portable toilets (depending on how many people register for the event). Each toilet will be equipped with a hand sanitizer unit or 10-15 hand washing stations will be provided. There will also be 3, 30 yard dumpsters as well as 50 trash bins to ensure that garbage is disposed of properly.
7. Parking will be done in the West portion of the property. There are 6 soccer fields that will be used for parking and there will be a professional parking company hired to keep traffic moving.
 - a. Runners will be instructed to Drive North on CR 166 and turn West onto CR 168 where they will enter the soccer fields. The runners will not all be arriving at one time as the race is set up in waves (9:00, 9:20, 9:40, 10:00). Participants are advised to arrive 45 minutes prior to their run time, thus spreading the traffic out.
 - b. Once the event has completed, runners will be routed westbound on CR 168 and turn South on CR 165, Turn right again on Lake Forest Dr.
8. Our company will be hiring an EMT crew for the duration of the event. We will have an ambulance, and two mobile crews for a total of 6 emergency personnel onsite.
9. Children 12 and under are required to run with a supervising adult. There will be a tent setup for checking in runners and there will be announcements made throughout the day for lost children to be brought to that tent. We will have over 100 volunteers there to assist lost children. Also, there will be no alcohol served at the event.
