**Specification Description**

Collin County's intent of this Request For Proposal (RFP) is to provide specifications for a solution consisting of a fully configured turn-key proposal including, equipment, delivery, installation, configuration, data migration, recabling or transfer of selected existing storage trays to the new solution, maintenance and training. Offerors are to propose a base required configuration and additional storage tray configuration which the County desires to purchase. This solution shall be installed and configured by an IBM certified N-Series storage provider.

**A complete copy of the specification is on file in the Purchasing Department, should any Commissioner require a review.**
