Subject: Copy Requests for Court Appointed Attorneys
To: Commissioner's Court
From: Andrea Stroh Thompson
District Clerk

The District Clerk and the County Auditor have identified that the county loses money every time a court appointed attorney is charged for copies from the case in which they are appointed. The court appointed attorney subsequently submits the expense for reimbursement to the county. Therefore, the District Clerk respectfully requests that the District Clerk fee schedule be amended to waive fees for court appointed attorneys for copies on cases in which the attorney is presently assigned.
