a. AI-36867 Disbursements for the period ending June 11, 2013, Auditor.

H.C.F RESOLUTION NO. 2013-2066-06-17

b. AI-36855 Professional Services Contract with PIA (Public Information Associates) (Contract No. 2013-265) to administer RHP 18 anchor duties required by the Medicaid 1115 Waiver, exemption from the bidding process per Local Government Code 262.024(a)(4), budget amendment in the amount of \$205,298 and further authorize the Board President to finalize and execute same, Administrative Services.

President Self prefaced the discussion by stating we are one of two RHPs (Regional Health Partnerships) that does not have a public hospital. Dr. Leigh Hornsby, Public Information Associates, came forward with an update on the progress of this item. Even though our RHP does not have a public hospital, HHSC (Health and Human Services Commission) has worked with all RHPs equally.

We had only one primary project, UT Southwestern, which was not accepted by CMS (Center for Medicare and Medicaid Services). This project does have the opportunity to provide more information to gain approval.

Some of our projects were approved with request for additional information while others were valued by CMS as slightly lower than the submitted amount. Those providers have the opportunity to justify their funding amounts or accept the lower amount valued by CMS. There is currently \$124 million in projects and 40% of this amount is IGT (Intergovernmental Transfer). After a brief discussion a motion was made to approve the item. (Time: 2:46 p.m.)
