Re: Expenditure Budget for County Courts at Law Technology Fund
and District Courts Technology Fund

This request is to establish an expenditure budget in the County Courts at Law Technology Fund in the amount of \$1,540 and the District Courts Technology Fund in the amount of \$1,980 for payment of one year of subscription service to eFax for the Judges' iPads. Each subsequent year's subscription fee will be \$200 and will be requested in each year's budget. eFax is a necessary app required to transmit warrants between the Judges and arresting agencies in expediting the warrant process. The app is available at no cost but subscription fees apply.
