Equipment Purchases and Technology Investments - 1st Quarter (928)

Describe any **efficiencies** or **cost savings** achieved as a result of an equipment purchase and/or technology investment during the reporting period. If you did not expend funds, purchase equipment or implement equipment purchased with grant funds this quarter, indicate this with an N/A response below.

Quarter 3

**Response not required. Item intentionally left blank.**

Quarter 4

**Response not required. Item intentionally left blank.**

Quarter 1 The Judges can do everything from the mobile tablet- receive the email from the agency, receive the warrant through DropBox, move the warrant to a program that will allow them to sign the warrant, and then return it to DropBox for the agency to return. The cost saving to the agencies would be significant in both dollars and time, not having to make trips to the Courthouse or to the Judge's home after hours.

Quarter 2

**Response not required. Item intentionally left blank.**
