Re: Request from the City of Lavon to Utilize Remaining Open Space Project Funding Assistance Program Funds – 2007 Open Space Bond – 3<sup>rd</sup> Series (2012)  
Project No. 07PG41

The Engineering Department requests Commissioners Court's approval of the City of Lavon's request to utilize remaining Open Space Bond Funds. (See Letter Attached) Collin County approved \$67,975 in funding for construction of a pavilion and trail improvements at City Hall Park in October 2012.

The City of Lavon completed those improvements under budget, leaving a balance of \$16,846 in approved County funding. They are asking to utilize \$5600 of the remaining funds to assist with the construction of a perimeter fence. The remaining funding (\$11,246) would be returned to the Open Space Bond Account.

If approved, a Court Order approving the use of funds to construct a fence around the park property would be attached to the ILA as back up in lieu of revising and executing a new ILA.

The Parks Foundation Advisory Board reviewed this requests and recommends it for approval by Commissioners Court.

We will be available to answer any questions you might have regarding this matter.
