Anchors –

Thank you for joining us for today’s call. The meeting notes are attached. I have also attached the latest draft version of the Statewide Learning Collaborative Summit agenda along with the PowerPoint slide template for designing RHP snapshots for the opening session of the Summit. Please submit your slides to Stacy Wilson at THA ([swilson@tha.org](mailto:swilson@tha.org)) by **COB August 25<sup>th</sup>**. More information to assist with creating your region’s slides is in the call notes.

We will let you know as soon as possible early next week how many additional Summit slots will be available for each region. As we mentioned on the call, please encourage those providers who have not registered yet to do so today if possible so we can finalize the current registration list.

Have a good weekend. Thanks,
