Re: Requesting a Contract for Labor

We are requesting to contract with Phil Blakely to conduct plumbing inspections on an as-needed basis. We lost our full-time plumbing inspector in April 2004. Since then we have hired a part-time plumbing inspector. Most of the time, a part-time position is adequate. However, there are occasions when our part-time inspector needs help, as well as occasions when he must take off and we need someone to cover. The State requires that our Plumbing Inspector be licensed. Mr. Blakely is a licensed inspector. The contract would pay Mr. Blakely \$25 per hour and mileage. He would be guaranteed 2 hours of work each time he is called to work. Mr. Blakely would not be eligible for other county benefits.

We respectfully request your favorable consideration of contracting with Phil Blakely to provide plumbing inspections on an as needed basis.

Thank you for your consideration in this matter.

xc: Clarence Daugherty, Director of Engineering
Bill Bilyeu, County Administrator
