Judge Self wished the Marines a Happy Birthday and then thanked everyone for attending the third installment of the Collin County Fallen Warrior Portrait Project. It's because of people like those being honored today that there is justice in the United States and we continue to be a democracy and a republic. The Judge then introduced R.D. Mr. Foster read a short biography of each of the Fallen Warriors:

Judge Self introduced McKinney artist Colin Kimball, a United States Air Force Veteran, who donates his time and talent to the Fallen Warrior project. Mr. Kimball thanked everyone for their support and was happy that there was at least one family member present for each of the fallen heroes. He then gave a little background into the symbolism that he put into each of the portraits.
