Mike,

I have attached documents that pertain to the conversation in regards to the GPS Monitoring fee schedule change. As a recap, on December 1<sup>st</sup> an agenda item was submitted to Commissioners Court for approval of a fee schedule change for the GPS Monitoring fee from \$5.45 to \$6.00. Upon approval of this request from Commissioners Court the County Clerk's office is required to notify the State Comptroller's Office to make the change to the fee schedule that has been submitted. Tonya Kellogg contacted the State to learn that by making this change Collin County was not in compliance with LGC 118.131. Collin County's fee schedule should be the same as what is filed with the State Comptroller's Office. If you have any questions please let me know.
