Hi Tammi,

I hope you are doing well. I am working on plans for the 2015 edition of our annual March bike race taking place in Celina and Collin Co. and want to touch base.

Our typical race date is the 2nd Sunday of March (usually around the 8th-11th lately) and given some likely changes in the statewide cycling calendar we are looking at moving our race to the 4th Sunday of every March. This year that would be March 22nd but the move would most likely be a permanent move.

I'm sure this doesn't make too much difference to your county roads department but I thought it best to check with you first. Do you foresee any problems with a permanent switch to the 4th Sunday of March?

Just want to make sure there isn't already some annual event that Sunday, which would prevent your department or the county from accommodating our little bike race. ;-)

Let me know and thanks!
