RE: Sarah Newland Park

Sarah Newland Park is a small, 6,063 square foot piece of property that was designated as a "park" when the original development, "Courtyards On The Creek" was created by The Village Keepers, LLC in the year 2006 or 2007.

We have tried to locate a person from The Village Keepers, LLC to sign this petition for the name change, but a search has turned up no one. It appears as though the company may no longer exist, per Texas Secretary of State data updated on June 25, 2014. It shows forfeited existence, inactive and tax forfeiture dates as of 01/28/2011. There is detailed information shown with the attached paperwork.

We ask that you please allow us to change the name of the road to Forest Creek Lane, with having a majority of signatures from the land owners in agreement.

Thank you for your help with this matter.
